CIRCULAR

Sub: Deputation of Nursing & Paramedical staff

Applications are being received from Nursing & Paramedical staffs directly or through their Controlling Officers from time to time to consider their request for deputation in different Central/State Ministries/Departments/Undertakings/PSUs/PSEs etc. The matter of deputation has been examined and in light of the overall shortage of Paramedical & Nursing staff in ESIC Hospitals & Medical Colleges across the country, it has been decided not to consider any such requests for deputation. Accordingly, the Controlling Officers are advised not to entertain or forward any kind of deputation requests till further orders.

This has the approval of Competent Authority.

(Reena Hira)
Assistant Director
